RESPONSE TO RESTRICTION AND/OR ELECTION REQUIREMENT
AND FIFTH AMENDMENT

In response to the Office Action mailed November 14, 2005, applicant elects what the Examiner identified as Invention I, claim 13. Applicant appreciates the Examiner's comments concerning applicant's response to the prior restriction requirement, where the Examiner pointed out that applicant re-introduced original claim 15 rather than amended claim 15, and where the Examiner said applicant's amendment necessitated the present restriction requirement. Applicant's re-introduction of original claim 15 was an oversight. When applicant responded to the prior restriction requirement, applicant intended to present amended claim 15, not original claim 15. Accordingly, applicant again amends claim 15 and requests that it be examined with claim 13. The claims are presented below.
